- **SOUND TECHNICIANS:** Should attend the practice indicated under the date. Also they need to be here at 8:15am on Sunday for practice & set up.
- **COMPUTER TECHNICIANS:** Please try to attend the scheduled practice. It really helps to have you there.
- The person assigned to cover front doors during the service needs to lock the 2 doors in the narthex (Those that lead to the steps on east side of church).
- If you are unable to work your scheduled date, please find a substitute & let Wendy know of the change so the information in the bulletin can be accurate.
